Summer sure looks bright, eh? She told us that she enjoys dressing up in loud clothing because she prefers to be the center of attention. "My day-to-day summer outfits usually consist of crop tops and colorful short shorts," she told us. "I hate the winter because of how dark and gray it gets, although I do like curling up next to a fire and fucking. But I'd still rather get nasty outside in a park when the weather is nice! Bring me a picnic, open some wine and let's have some fun!"

"One time, I fucked a guy in a Walmart. We weren't even in a bathroom! We were in the middle of an aisle, and it was, like, the middle of the night. We were drunk, horny, and just wandering around when we decided to do it."

Putting on a show!

"I play the piano. I'm not in a band right now, but I have some guys who I jam with at my college. I told them that I shot some nude pictures for your magazine and they're freaking out. I know they're going to buy this issue. Hi, guys!"

Sidney

Sarasota, Florida

Winghouse server
Age: 18
Born: December 9
Ht: 5'10"
Wt: 155 pounds
Bras: 36D
Panties: Usually none
Anal: Licking
BJs: Spitters are quitters
Masturbate: Yes! I love to squirt

If you're a subscriber, you'll recognize Sidney from our last issue. She's the bisexual brick house who brightened our pages with her sexy curves and her dirty mouth. Now, she's returned to fuck on-camera for the first time! "I had so much fun masturbating for you guys, I figured I'd let loose and have sex with a guy," she told us. Even though Sidney likes much-older men, she enjoyed our younger stud.

"Honestly, I'm not all that picky when it comes to guys. Sure, I like older men with muscles and money, but so does every girl. If a guy is clean, hung and knows how to fuck, then I'm happy. Your guy knew how to fuck. As soon as I started sucking his dick, he began to rock his hips and push his cock gently into my throat. I love it when a man asserts himself like that. It makes me feel submissive. Then he spat on my pussy and slid into me without wasting much time. Foreplay is bullshit, sometimes."

Sayonara, Sidney!

"I'm not going to make a career out of doing porn, but this was a lot of fun. Maybe I'll do a threesome next and then call it quits. I think getting pounded out by two hung guys would be a perfect end."

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

BOOST YOUR BRAIN THROUGH SEX

Have you ever tried to study, read a book, or organize a difficult project at work only to find yourself distracted by sex? You should probably just indulge yourself and then return to the task, a study (Wright, Jenks & Demeyere, 2017) has found. This study concluded that participating in sexual activity can boost your cognitive function. Alongside the obvious benefits of doing the nasty, you'll find that your word-finding skills and visuospatial abilities are better after a romp with your loved one. To achieve these gains, you should participate in weekly sexual activity. Oh, and don't worry if you don't have a partner at the moment. Masturbation counts, too.

Learn about where the orgy originated.

HISTORICAL ORGIES

When you picture an orgy, what do you see? Maybe it's an upscale event with masks and music à la the classy events depicted in the movie Eyes Wide Shut. Perhaps your mind pictures a more down-and-dirty affair with tons of booze and horny sluts getting filled left and right by complete strangers. Or, if you're a history buff, you might imagine a scene of Greek temples and togas. All of the above have some historical validity. But no matter what you imagine orgies to be like, do you know the history of what may be the pinnacle of sexual expression? How much do you know about the orgy? Let us fill you in.

The word 'orgy' comes from the Greek word 'orgia,' which originated sometime in the early 1500s. Although the dictionary definition of orgy nowadays is "a wild party, especially one involving excessive drinking and unrestrained sexual activity," it historically described secret rites used to celebrate and worship gods of

DEATH GRIP

Guys, go easy on your poor penis. As far as organs go, the vagina is miraculous. It's self-lubricating, soft, and even though our writers often use the term "vise tight," the pussy is elastic. On the other hand (ha!), your palms are probably calloused, rough, dry and strong. When you jerk off, you're training your dick to get used to that sensation of high friction and pressure. If you do it hard enough, your dick will find a soft, slippery vagina not stimulating enough to stay hard. That's what's called death grip. The medical industry calls it Retarded or Delayed Ejaculation (RE).

Don't grip it so hard!

Make sure you give her what she needs.

If this sounds like your situation, there is good news. You can reverse this condition by taking a break from masturbating for a week, then adding a self-love session every following week until you're back up to two or three times per week. Experts also recommend only masturbating when you have an erection naturally. Don't force it. And you might want to look into purchasing a sex toy, such as a Fleshlight, as they're designed to feel like a pussy.

Kate

St. Paul, Minnesota

Student
Age: 21
Born: June 3
Ht: 5'7"
Wt: 134 pounds

Bras: 34A
Panties: Victoria's Secret
Anal: I haven't done it yet
BJs: Swallow
Masturbate: Doesn't everyone?

Kate is a babe with what may be the quintessential fuckable body. Her tits are firm, tanned, and her nipples aren't too big or too small. Her ass is supple and toned. Her lips are plump, and she'll wrap them around your cock on the first date.

Kate's best friend is in art school and asked Kate to pose for a project. "Originally it was supposed to be black and white nudes, but after we shot her stuff, I suggested that we try some more risque shots. I think it turned her on to see me spreading my pussy!"

What's the point?
"I'm not one of those girls who won't put out until the third date. I never understood the point of that. If I'm horny and you're horny, why wait? Let's fuck and then find out later if we're compatible."

Anna

Leeds, England

Graphic Artist
Age: 24
Born: January 20
Ht: 5'4"
Wt: 129 pounds

Bras: 34A
Panties: Anything cute
Anal: Sometimes
BJs: Spit
Masturbate: Once a week

"I live a relatively boring life," Anna wrote to tell us. "I'm not sending my pictures for a boyfriend. I'm certainly not doing it for the money. That would make me feel like a prostitute. I'm just doing this because it sounds like a fun shake-up for my life. I work with a bunch of guys, and although I love my job, I feel like one of the lads. I want to be lusted after. I want to feel wanted."

"On the weekends, you will usually find me in my flat cooking dinner for hours. I love French food and American barbecue. I have plans to travel to the American south and eat ribs and brisket next year!"

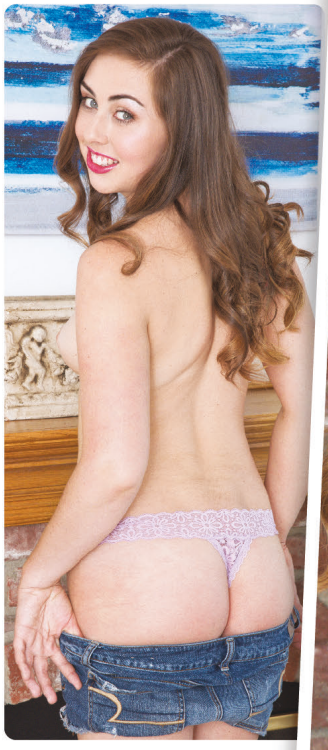
That's low-key slutty.

"The sluttiest thing I've ever done was shag a random guy at a tech conference in London. He gave a presentation and was so confident; I hit on him in a pub later. We ended up renting a hotel room."

Lexi

Portland, Oregon

Veterinary technician
Age: 21
Born: July 3
Ht: 5'9"
Wt: 140 pounds
Bras: 34B
Panties: Lace is my favorite
Anal: Not a big fan
BJs: I always swallow
Masturbate: I love vibrators



"I had a great time in high school," Lexi told us. "I played basketball and volleyball, got excellent grades and had tons of fun with my boyfriend at the time. When we were set to graduate, we snuck into the gym and fucked under the bleachers. It was exhilarating! It started because I was feeling horny and I thought that it would be an awesome send-off for us both. I sucked his cock in the middle of the basketball court. Then we moved behind the bleachers and he did me doggie-style until he nutted inside me. Afterward, we carved our names in the wooden seat. I'll bet they're still there."

Wantin' a Spitroast.
"I had a threesome when I was younger. It was with another girl, even though I'm not bi. I'd like to try it again but with two guys."

Jeni

Wt: 120 pounds

Bras: 34B
Panties: Thongs
Anal: I love rimming!
BJs: Swallow
Masturbate: It's my favorite

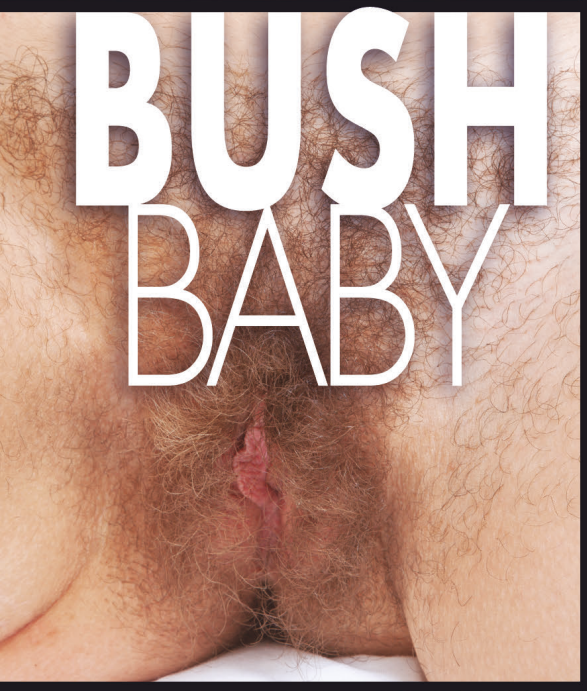
We flew Jeni into Miami to shoot these photos. "I love the beach here. Everybody is so attractive," she exclaimed. "Everywhere I turned, there were babes with scrumptious bodies and hot, Latin guys. I was panting!"

Now that's adventurous!
"I'm a true bisexual. I love sucking cock, eating pussy, rimming guys and girls, and having threesomes. I really want to try squirting on a girl's face while a guy jizzes on my face. That's my biggest fantasy."

LACEY

WATFORD, ENGLAND AGE 26

BUSH BABY



Man, it's fucking hard finding good Bush Babies. Sure, we have girls with hairy pussies, but a little triangle of pubes isn't enough to warrant the title. When we bestow the Bush Baby title, we want something memorable. Meet Lacey, a girl who takes her sex seriously. "I have a big trunk of sex toys, lubes, lingerie, porn, whips and everything else I use to pleasure myself and my lovers," she informed us.

LACEY

"I wear lingerie every day under my work clothes. Sometimes I'll wear a buttplug or have Ben Wa balls inserted in my pussy while I'm at the office. I rock back and forth in my chair and make myself cum while no one is looking."

"I don't like the term slut because the only people who use it are trying to make it an insult. I'm not ashamed of how sexual I am. I've had sex with nearly 100 men, and almost as many women. I think my experience is a good thing. I know how to please everybody I'm with, whether that's through prostate stimulation or expert pussy eating, I can get you off! You know what both men and women have in common? Everybody is fascinated by my bush. Women especially love sniffing my pheromones while licking me. A shaved pussy just smells different. Men love spunking in my pubes and watching me play with their cum. Everybody loves my hairy minge. I'll never lose it."

That's fucking dirty!

"A former lover of mine challenged me to swallow as much of his cum as I could. For months, I'd jerk him into an ice cube tray and freeze his spunk. Then I finally defrosted it and chugged the whole batch while he watched."

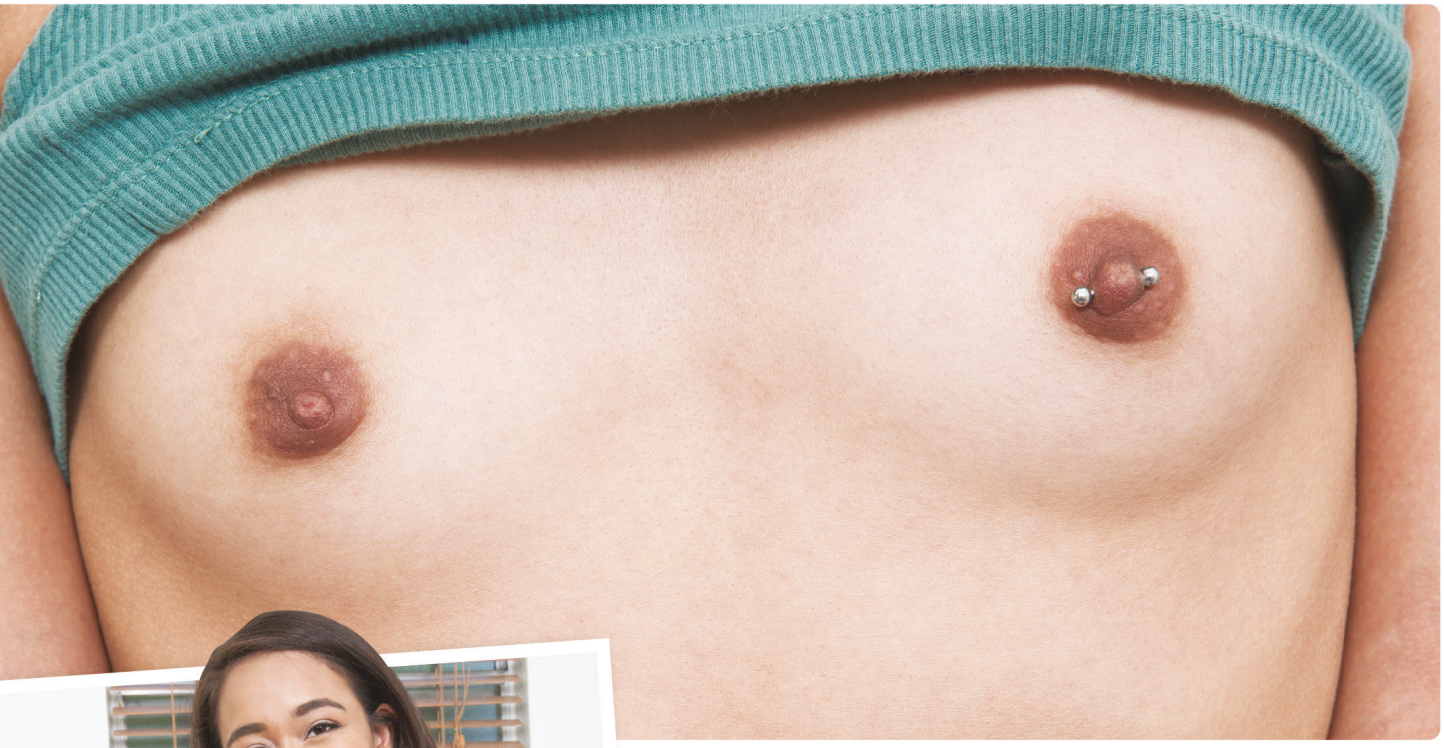
Masturbate: Every night



"About a year ago, I was dating this guy. One time, we were chilling and watched a movie at his parents' house. His folks were right next door, but we were both horny, so he tied me up and licked my pussy until I came. Then he entered me and fucked me roughly while covering my mouth with a pillow. I was trying to be quiet, but he was fucking me so good, I screamed when we both came at the same time. His parents totally heard us, but they didn't bust us."

Sounds like a plan.
"If a guy is willing to eat me out after we fuck, I can go multiple rounds. Most guys find eating pussy after they fuck it disgusting for some reason, but if I suck them first, they usually give in."

"I'm usually submissive, so I like being tied up and I have a regular fantasy about me being kidnapped by a sexy stranger. I really liked fucking your stud because I felt like he was dominating me. He kept grabbing my legs and moving them so the camera could get really close to my pussy. He really knew what he was doing."

Snug lil' cunny.

dancing, drunkenness and singing. Long, long before the 1500s, Greek cults would gather and celebrate their religion by cutting loose and praising their more fun-loving gods. Among these gods was Dionysus, who was the god of the grape harvest, winemaking and wine, of ritual madness, fertility, theatre and religious ecstasy. According to Greeks, Dionysus died and was later reborn, hence his significant role in fertility and rebirth. The cult of Dionysus dates back to the late Bronze Age in Greece, and members of this cult strived to have a close and rapturous union with their deity. They would hold parties frequently, with the most audacious taking place around springtime. Beginning at sunset, musicians and dancers would parade through town singing, lighting torches, eat-

ing fruit and celebrating. Wearing little more than masks, their bodies swayed through the streets, picking up more revelers as the procession went along. They would close their parades around a large phallic piece of art. These dick statues represented Dionysus' rebirth and fertility. The cult would revel in their blessings: good crops, new livestock, and perhaps a new baby.

Dionysus stood in contrast to Apollo, who was the god of the rational-minded man. He was ordered and self-disciplined, and those with power heralded him as having the ideal aspects of human nature. Greek society didn't think of the two gods as opposites, though, but rather as two sides of the same coin. People can't appreciate a good day's work without the promise of some fun every once in a while, they reasoned. The government agreed, but they only allowed the Dionysian parties to take place on specific days to keep things from getting out of hand. You may ask yourself why these religious rites needed to be restrained and scheduled. One of the most interesting aspects of these original orgies was the fact that official titles and societal power seemed to disappear. Women could have power over

Kara

Santa Fe, New Mexico

Student
Age: 23
Born: November 14
Ht: 5'8"
Wt: 105 pounds
Bras: 34B
Panties: Victoria's Secret
Anal: Only sometimes
BJs: Swallow if you're sweet
Masturbate: Yes!

"I never thought I'd do anything like this," Kara told us as she slipped her top off and our photographer began to snap the first nude photos of the precocious 23-year-old. As cliched as it sounds, we never get tired of hearing young girls convince themselves that they're the first naive hot-body to strip nude for us. Watching these pretty, young things expose themselves gives us wood unlike anything else.

"I was a straight-A student," Kara elaborated as she slipped off her panties. Her face became flush as our shutterbug instructed her to spread her legs for the camera. "I'm in nursing school," came her embarrassed moan as her fingers delved into her wet cunt. "I'm so crazy for being here," she sighed, the last part of the sentence trailing off as she brought her nubile body to orgasm. Kara isn't the first girl to psych herself into thinking that she's unique for wanting to be an amateur porn star, and you know that she won't be the last.

Is That Still a Facial?

"Before this, the craziest thing I'd ever done sexually was give a guy a handjob in a tent at a music festival. He accidentally came on my pillow and I had to sleep on his jizz that night."

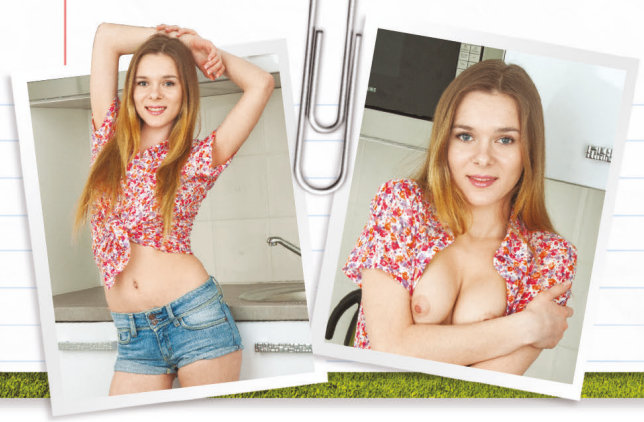
Mila

Miami, Florida

Music video dancer
Age: 20
Born: August 6
Ht: 5'2"
Wt: 115 pounds
Bras: 34C
Panties: Thongs or G-strings
Anal: It's the best
BJs: Swallow
Masturbate: OMG! So much

Mila got her tight asshole fucked hard by a thick dick in our last issue. We're not trying to top that, but some guys prefer solo pics, so we brought her back.

Let it Grow!
"I've been thinking about growing out my bush. I've shaved ever since I first started growing pubes, but I think I want a change. I hope the guys I'm screwing won't mind me having a full beaver!"



Karissa

Stuttgart, Germany

Unemployed
Age: 19
Born: February 8
Ht: 5'7"
Wt: 120 pounds
Bras: 34B
Panties: I like pink
Anal: Only for small men
BJs: Swallow
Masturbate: Frequently

When we emailed Karissa, we asked her to tell us about her top three turn-ons. This is what she wrote: "First, a hard cock on the right person. Nothing beats a hot guy ready to go! Secondly, getting my nipples sucked. They love attention. Third, being watched as I undress. I'm a total exhibitionist. Damn! It's a hard list to make...there's so much."

Kitchen Cumming.

"The hardest I've cum ever was with my last boyfriend. He grabbed me and picked me up and put me on the kitchen counter, and it must have been the perfect angle because he had me cumming hard in no time at all!"

Becky

Hollywood, Florida

Retail associate
Age: 19
Born: March 11
Ht: 5'6"
Wt: 120 pounds
Bras: 34B
Panties: Bootyshorts or thongs
Anal: No
BJs: Spit
Masturbate: I like my dildos

Becky has a boyfriend who might not be happy to see these pics. Whatever. Becky was going to strip regardless of what her guy told her. She was practically begging for us to "convince" her. We told her just to give it a try.

This is why we need sex-ed.
"My ex in high school liked giving me creampies before school. He'd request that I keep his cum inside of me all day. I don't think he quite understood how pussies work. I lied and told him that I did it anyway!"

men; slaves could stand side-by-side with their masters. These holidays were a way for people to cut loose and escape their everyday lives and identities, but without some order (it was reasoned), society couldn't continue to exist in the same manner. The ruling class lived by the rules and examples of Apollo, while the cults of Dionysus were generally marginalized people.

Eventually, the Dionysian cult made its way to Rome, but its heyday was already in the past. When the Romans crafted their religions and lore based upon ancient Greek society, they crafted their god Bacchus in the image of Dionysus. The Roman festivals were called the Bacchanalia. Unfortunately for the

party people of Rome, the Roman Senate cracked down on the cults severely in 186 BC. Interestingly, you can still read this law called the Senatorial Decree concerning the Bacchanalia (discovered in 1640). The party cults were ruled to be threats to the security of the state. Investigators were offered rewards to turn in people participating in the Bacchanalia. Some citizens resorted to suicide to avoid indictment. Still, Bacchanalia continued

as an underground celebration throughout the region, in particular, southern Italy. The orgies had to become tamer and more in-line with how society in the region shifted, although they remained pretty wild.

As Dionysus inspired Bacchus, Bacchus inspired Free Father (Liber Pater), the newest version of the wine-and-fertility God in the Roman Empire. As the ancient Romans partied during Bacchanalia, the newer Romans began to party during Liberalia. Although the legal forms of celebration were milder than the previous fertility rituals, some accounts state that there were still naked, dancing prostitutes and nude noblemen running through the streets while whipping ladies with strips of goatskin. Wine, of course, was ever-present during these celebrations as well.

In the Fourth Century, when Christianity became legal in the Roman Empire, these parties were viewed as dangerous acts of paganism. The senate tried dealing a death blow to what they saw as outdated celebrations of outdated gods. But the ancient Greeks knew what the Christian Romans were about to discover, you can't have a society of strict order without a little bit of fun, or you face unrest in the disenfranchised. So these holidays persisted in various forms. The Roman Catholic Church found it easier to absorb these traditions into its own calendar than to end them outright.

Although you probably can't wander the streets of your hometown nude while whipping ladies with goatskin, you can still celebrate the origins of the modern orgy by participating in everyday holidays. May Day celebrations are deeply rooted in the Roman Liberalia. The May Pole, in fact, originally represented the phallus, much like the original phallus that marked the end of the parades in ancient Greece. Springtime fertility orgies are still a thing, but the Church decided to rebrand it as Carnival. It still famously exists today in Rio De Janeiro, Brazil, and many Catholic countries still gather on that day to celebrate wildly before Lent. NN

BUTTHOLE STUFFIN'!

THESE SLUTS PREFER BACKDOOR ENTRY.

It takes a very special kind of girl to admit she likes anal. It takes an absolute slut to admit that she prefers butt sex to pussy sex! These eight horny babes submitted their rear ends to our professional jackhammers and they loved every second of it. Helena came into our studios and gave up her asshole to our stud. Our photographers got some great shots of her mid-orgasm. She had so much fun, she requested to come back the next day and do it again for a video! Our stud was obviously game, so we put her on the schedule. Alina was brave enough to take on our hung stud J-Mac. "I'm a total size-queen," she told us. "And even though I'm not super experienced with anal, I figured that bigger is always better."

"Any hole is fair game on my body, as long as you ask me nicely and get me horny enough."
Holly
Age: 20

Cali
Age: 18

How many 18-year-olds like getting their buttholes fingered? Maybe one in a million. How many want to shoot a porno scene? Maybe one in two million. That's what makes Cali so special. "I've always been exceptionally horny," Cali told us. "And I've been having anal ever since I lost my virginity." Holly was going to pose solo for her long-time boyfriend who's a naughtymag.com fan, but he dumped her for an 18-year-old who, he claimed, is better in bed than Holly. She got her revenge by doing anal with our stud.

"My guy wants to see me do another guy...and with this his fantasy is fulfilled," said Sierra. "He wasn't worried about me being awe-struck by the stud's big dick because he's well hung. I was about outta this world while Rich and I were screwing. I had two orgasms, which is normal for me, and I came near to having another one when he was doing my butt. That's also normal." Alice told us that she wanted to experience new things, so we gave her just what she wanted. After mentioning to this butt-virgin that our stud loves anal, she said she might be into it. This is what she had to say afterwards: "He barely got two pumps into my pussy before I was begging him to put it in my ass. I'm glad I did 'cause he filled me up so fuckin' good!"

“I can see how this could be addictive!”

Alice
Age: 18

"I get such a full feeling with a cock in my ass."
Katie
Age: 20

Katie is a freak who loves to fuck. Whether it's her pussy or her asshole, she loves to get plowed by a hard cock. And in true slut fashion, she even takes it from ass to pussy! "I love the feeling of a cock fucking my pussy and ass back and forth," she said. "Because of that, one of my fantasies is to try DP one day." Pussy-pounding isn't enough for Bella. She wants an ass-fucking, too, and she gets it. Bella pouts and gasps as the stud thrusts into her rear, her tight starfish gripping his cock with every stroke. She told us afterward, "I especially loved it when the guy was fingering my cunt while it was splayed open on top of him with his cock reaming my ass."
